St. John's Dixie Cemetery and Crematorium

Preface:

These by-laws may be changed or amended at any time by the St. John's Dixie Cemetery Board, subject to the approval of the Ontario Ministry of Consumer Services.

The St. John's Dixie Cemetery is licensed to act as a cemetery in accordance with the Funeral Burial & Cremation Act 2002

It is our hope that by a co-operative effort we can keep the cemetery attractive and peaceful.

A) Administration

1. The St. John's Dixie Cemetery Board exercises full and complete control and management of the land, buildings, plantings, roads, utilities, books and records of the cemetery and complete authority to administer these by-laws and such other business as is pertinent to the Cemetery.
2. Management and direction are entrusted to an appointed or elected Board who, without remuneration, supervise the care and upkeep done by the Manager. The Board shall meet at least quarterly.
3. The Wardens are responsible for ensuring that a cemetery employee has care of all records and documents, and conduct all correspondence and keep a proper record of all money transactions as they pertain to cemetery operations.
4. The Manager shall have custody, under the Trustees, of the cemetery. No interment or removal of bodies shall take place without notice to the Manager, and he/she shall see that a proper Burial Permit or other certificate required by law is furnished to him/her in each instance.
5. The Board distinctly disclaims all responsibility for loss or damage from causes beyond their control and especially from damage caused by the elements, and acts of God, or vandals to any lot, plot, columbarium niche monument, marker, or any other article that has been placed in relation to an interment or scattering right save and except for direct loss or damage caused by gross negligence of the cemetery.
6. The Board shall take reasonable precautions to protect the property of Interment Rights Holders but they assume no liability or responsibility for the loss of, damage to, or from any article of any type that is placed on any lot or plot.
7. Hours of Operation: Cemetery Visitation- Dusk to Dawn Mon. to Sun.
Building Visitations - Mon to Sat.9:00a.m. to 10:00p.m. Sun.11:00a.m. to 10:00p.m.

C) Sale & Transfer of Interment Rights

1. No person shall sell Interment Rights unless that person does so, on behalf of this licensed cemetery
2. Interment Rights in lots and plots may be purchased from the Cemetery at the rates filed with the BAO and according to the plans approved and filed with the Bereavement Authority of Ontario that are on file in the office of the Manager of the Cemetery. The price for lots includes the applicable portion for deposit to the Cemetery’s Care and Maintenance Fund.
3. The deposit to the Care and Maintenance Fund shall be as specified in the regulation made under the FBCSA 2002 and that came into effect July 1, 2012
 1. In the case of an in-ground grave for the burial of an adult, the greater of 40% of the selling price or \$250 whichever is greater.
 2. In the case of an in-ground grave for the burial of a child or of cremated remains, 40% of the selling price or \$150.00 whichever is greater.
 3. In the case of a niche or compartment in a columbarium, the greater of 15% of the selling or \$100.
4. Payment for Interment Rights shall be made at the office of the Cemetery. Payment schedules and terms and conditions of payment will be supplied at that time.
5. The Cemetery Board shall provide each Rights Holder at the time of sale with:
 1. A copy of the contract.
 2. A copy of the Cemetery By-laws.
 3. Upon payment in full, a Certificate of Interment Rights.
 4. A copy of the Consumer Information Guide to Funeral, Burials and Cremation Services
6. Purchaser of Interment Rights acquire the right and privilege of burial of the dead and of constructing monuments or placing markers, subject to the Cemetery By-laws from time to time in force and approved by the Registrar, Bereavement Authority of Ontario.
7. Interment Rights previously sold, for which provision for Care and Maintenance has not been made, may be placed under this plan by the payment of the charges approved by the Registrar.
8. To ensure the correctness of records of ownership and interments, no transfer of any Interment Rights or any interest therein shall be binding upon the Board until notice is given in writing to the Management of the Cemetery specifying the name and address of the proposed transferee and date of transfer, and such particulars have been entered in a register for that purpose. Upon receipt of such notice, and payment of a fee, the transfer shall be made.
9. In cases of transmission of ownership by will or bequest of Interment Rights, the management reserves the right to require the production of notaries copy of the will or other evidence sufficient to prove ownership.

10. The right to interment in a lot after death of the Interment Rights Holder is declared as follows:
 - (a) The surviving spouse shall have the first right of interment.
 - (b) The original purchaser may at any time designate whom they wish to have buried in the lot, which, as recorded in the cemetery office, shall prevail.
 - (c) In the case of the original purchaser not making such designation during their lifetime, the heirs of the said purchaser may, by an agreement in writing duly signed by all of them, determine who among them shall have the right of burial in the said lot.
 - (d) In the event of the original purchaser not having so arranged for future burials then arrangements may be recorded on receipt of sufficient evidence as follows:
 - (i) In the case of death, by depositing in the Cemetery Office a sufficiently certified copy of the Will and Probate.
 - (ii) In the case of intestacy, by depositing in the Cemetery Office either a sufficiently certified copy of Letters of Administration or a Statutory Declaration setting out in terms satisfactory to the management such Intestacy and the names and addresses so far known of the heirs-at-law. The heirs may designate one of their number as their representative, authorized to sign orders for interments, foundations or monuments, etc.
11. A purchaser has the right to cancel an interment or scattering rights contract within thirty (30) days of signing the interment or scattering rights contract, by providing written notice of the cancellation to the cemetery operator. The cemetery operator will refund all monies paid by the purchaser within thirty (30) days from the date of the request for cancellation
12. Unless the interment or scattering rights have been exercised the purchaser retains the right to cancel the contract within 30 days or re-sell the interment or scattering rights. Once payment for the interment or scattering rights has been made in full, and an interment rights certificate has been issued, the interment or scattering rights holder(s), as recorded on the cemetery records, has the right to re-sell the interment rights. Interment right holders may first offer the interment rights to the cemetery operator. If the cemetery operator does not wish to re-purchase the interment rights, the interment right may be sold to a third party for no more than the current price listed on the cemetery price list. Any resale or transfer of the interment right(s) shall be conducted through the cemetery operator in accordance with the requirements of the cemetery by-laws and in keeping with the FBCSA
13. If any portion of the interment or scattering rights has been exercised, the purchaser, or the interment rights holder(s) are not entitled to re-sell the interment or scattering rights.
14. All re-sales of interment or scattering rights must be carried out through the cemetery operator.
15. Cemetery operator's requirements for the re-sale of interment or scattering rights
 - a) Current rights holder will supply to the cemetery operator an interment or scattering rights certificate.
 - b) Requires a statement signed by the rights holder(s) selling the interment or scattering rights acknowledging the sale of the interment rights to the third party purchaser.
 - c) Requires confirmation that the person selling the interment or scattering rights is the person registered on the cemetery records and that they have the right to re-sell the interment or scattering rights.
 - d) Record the date of transfer of the interment or scattering rights to the third party.
 - e) The name and address of the third party purchaser(s).
 - f) A statement of any money owing to the cemetery operator in respect to the interment or scattering rights.
 - g) If the resale involves interment rights, a written statement of the number of lots that have been used in the plot and the number of lots that remain available.
 - h) If the resale involves scattering rights, a written statement of the number of scattering rights.
 - i) Any other documentation in the interment or scattering rights holder(s) possession relating to the rights.
16. The third party purchaser will be provided with the following documents by the cemetery operator
 - a) An interment or scattering rights certificate endorsed by the current rights holder.

- b) A copy of the cemetery's current bylaws.
 - c) A copy of the cemetery's current price list.
 - d) If the resale involves interment rights, a written statement of the number of lots that have been used in the plot and the number of lots that remain available.
 - e) If the resale involves scattering rights, a written statement of the number of scattering rights available.
 - f) Any other documentation in the interment rights holder(s) possession relating to the rights.
17. Any purchaser of supplies or service from St. John's Dixie Cemetery may cancel, by written notice to the Management, the contract to purchase at any time before the services or the supplies are provided. No supplies will be ordered or service applied until the 30 day grace period has passed.
18. No refund will be made if the supplies or services are provided within thirty days after the contract is made because of the death of the person for whom the supplies or services were contracted.
19. Any purchases of wreaths or floral tributes are exempt from the 30 days cancellation clause. No refund will be given.
20. If any Interment Rights have not been used after a 20 year period has passed, they may be considered abandoned. The cemetery may apply to the Registrar for a declaration that the Interment Rights are abandoned after making inquiries and giving that the Interment Rights are abandoned after making inquiries and giving reasonable notices to find the Interment Rights Holders or beneficiaries. Upon being satisfied that the rights are abandoned, the Registrar shall issue a declaration to that effect. If there is no appeal by the end of the time period allowed, the Cemetery may resell the Interment Rights in question.
21. Any person who's Interment Rights has been resold after being declared abandoned may apply to the Registrar for redress. Upon receiving an application for redress, the Registrar shall order the cemetery to provide better or equivalent Interment Rights in that cemetery or to refund the amount that it would cost to purchase better or equivalent Interment Rights in the cemetery or if no Interment Rights are available in the cemetery, in the closest cemetery appropriate to the religious or ethnic affinities of the person whose Interment Rights have been resold.
22. The Cemetery may accept payment by installments for Interment Rights sold on a pre-need basis only as follows:
- 1. A deposit of at least 35% of the purchase price is required at the time of application for purchased signed.
 - 2. The balance is to be paid by regular monthly payments.
 - 3. Should the payments fall behind for a period of three months, the Cemetery would repossess the Interment Rights unless at least two-thirds of the purchase price has been paid. In this case, the Cemetery would approach the Ontario Court, General Division for authorization to repossess.
 - 4. Interments shall not be made nor a monument erected until all indebtedness has been satisfied.
23. The Board reserves the right to refuse interment or improvements on any lot on which charges are due and unpaid.
24. Care and Maintenance Fund Contributions: As required by sections 166 and 168 of Regulation 30/11, a percentage of the purchase price of all interments rights, scattering rights and a prescribed amount of \$25.00 where there was no scattering rights sold, and a prescribed amount for monuments and markers is contributed into the care and maintenance fund. Income from this fund is used to provide only general care and maintenance to the cemetery

D) Interments and Disinterment

- 1. Winter burials shall take place weather permitting.
- 2. Not more than one burial shall be made in any single grave except:
 - a) In areas designated for double depth burial. The first interment must be made at the lower level.
 - b) The cremated remains of not more than eight persons, within a single adult grave.
 - c) A 60.96 x 30.48 cm (24" x 12") infant container may be buried at the head end of a single grave in which a casket containing human remains has been buried, provided space is available.

3. Remains to be buried in a lot must be enclosed in a container, sealed securely, and of sufficient strength to permit burial with the container remaining intact. The container must be of a size to permit burial within the size of the lot.
4. All interments must be authorized in writing by the Interment Rights Holder except the interment of the Interment Rights Holder; in which case authorization will be given by the executor or next of kin.
5. The Manager of the cemetery or someone in the employ of the Board shall be in attendance at each interment.
6. A burial permit issued by the Division Registrar, showing that the death has been registered and the fee for the opening of the lot according to the fee found in the Price List, must be deposited with the Manager or his/her delegate before interment can take place. Fees may be invoiced if authorized in writing by the Board.
7. In the case of a cremation interment or inurnment, the cremation certificate and the prescribed fee for this service according to the rate of the tariffs must be deposited with the Manager or his/her delegate. Fees may be invoiced if authorized in writing by the Board.
8. Persons requesting interments in lots or plots shall be held responsible for charges incurred.
9. When Interment Rights in a lot/plot are held jointly by two or more persons, an order will be accepted from either or any of them or their authorized representatives, for interment in such part of the plot as may be requested.
10. No lot or niche shall be opened for interment or disinterment by any person not in the employ of, or under the direction of the Board, except under special circumstances, and by permission of the Board.
11. The interment fee includes the opening and closing of the lot or niche and the registration of the burial.
12. The scale of fees for lot or niche openings is based on the size of the lot and labour involved.
13. No person shall remove human remains, except cremated remains, from a cemetery unless a certificate of a Medical Officer of Health or the Cemetery Board confirming that the Funeral, Burial and Cremation Services Act, 2002 and the regulations have been complied with is affixed to the container. A burial certificate under the Vital Statistics Act is not required to re-inter human remains that have been disinterred according to the Funeral, Burial and Cremation Services Act, 2002 and regulations.
14. The Cemetery will exercise all due care in making burials and interments but is not responsible for damage to any casket, urn or other container sustained during disinterment
15. No interment shall be permitted in any lot or niche where the burial rights have not been paid in full.
16. Funeral corteges within the cemetery shall follow the route indicated by the Manager.
17. The Cemetery reserves the right, at its cost, to correct any error that may be made by it in making interments, in the description of the lot, or the transfer or conveyance of any Interment Rights. The cemetery may either cancel such grant or substitute other Interment Rights, or lot of equal value and similar location, as far as is reasonably possible; or refund all money paid on account for such purchase. Notice will be given personally to the Rights Holders. If necessary, it may be mailed to the Rights Holders or their legal representatives, at their last appearing address in the record books of the cemetery. In the event any such error may involve the disinterment of remains, the cemetery shall first obtain the approval of any regulatory authority and the Interment Rights Holder.
18. The Cemetery shall not be held responsible for any errors made for any funeral arrangements made over the phone. These arrangements should be made in writing.
19. Notice of each interment to be made shall be given to the Manager or his/her delegate of the Cemetery at least 24 hours in advance, 8 hours of which must be regular working hours. The Board cannot be held responsible for having lots prepared for funerals unless such notice is given.
20. No interment shall be made on Sunday or Statutory Holidays unless the Cemetery is ordered to do so by a representative of the Ministry of Health.

21. Extra Charges are included in the Price List for:
 1. Sunday or Statutory Holidays interments subject to item 20 above.
 2. Saturday full burial interments.
 3. Double depth grave openings; or, where an additional interment is required but the grave space already occupied at regulation depth, for the purpose of deepening the original interment.
 4. Funerals reaching the Cemetery after the hour of four o'clock in the afternoon.
25. All extra depth interments must use a concrete liner.
26. Cremated remains may be scattered only within the designated common scattering garden area in the cemetery.
27. Cremated remains are not permitted to be scattered on a grave.
28. Once scattered, cremated remains cannot be retrieved.

E) Pre-need Services

1. All funds received for pre-need services shall be deposited within sixty days into a trust fund designated as the Pre-need Assurance Fund established with a corporation registered under the Loan and Trust Corporations Act, 1989.
2. A trustee of the Pre-need Assurance Fund shall hold all money received for the benefit of the purchaser until that portion of the contract in respect of which the money was paid is complete.
3. When a portion of a contract is completed the trustee shall pay to the Cemetery the lesser of:
 - (i) the current market price filed with the Ministry for the supplies or services or,
 - (ii) an amount equal to the payments made for the supplies or services together with income accrued on those payments.
 - (iii) should the amount exceed the current price for the services, the excess shall be paid to the owner of the contract or to the estate of the person for whom the services were contracted within 20 days after receiving payment.

Cancellation of Pre-need Contract

1. Any purchaser of pre-need supplies or services may cancel the contract by written notice to the Cemetery Office at any time before the services or supplies are provided. No supplies will be ordered or services supplied until the thirty day grace period has passed.
2. This does not apply if the supplies or services are provided within thirty days after the contract is made because of the death of the person for whom the supplies or services were contracted.
3. Within thirty days of receiving notice that a contract is cancelled, the Cemetery shall refund to the purchaser all money received under the contract together with the income thereon.
4. If the contract is cancelled after thirty days, the Cemetery may retain an amount equal to 10% of the amount paid by the purchaser for the pre-need services or supplies, together with any income earned by the Cemetery on the 10% since the purchase, or \$350 whichever is less.
5. It is a condition of every contract for the purchase of pre-need supplies or services that the contract is cancelled
 - (i) if the Cemetery has reasonable grounds to believe that the beneficiary has or would have, reached the age of 120 years; and
 - (ii) if the Cemetery is unable, after making reasonable efforts, to determine if the beneficiary is alive.
6. The purchaser of pre-need supplies and or services will receive from the Cemetery a Certificate of Entitlement to the said supplies and or services.

F) Care of Lots - General

1. All lots and plots shall be maintained and kept properly graded, sodded and mown by employees of the Cemetery.
2. No person shall do any work upon a burial lot without the permission of the Manager.
3. Trees, shrubs, flowering or other plants may be cultivated on lots, but only such varieties that are in keeping with the general plan of the grounds and subject to the approval of the Manager. No trees or shrubs growing within any lot may be removed or altered without the consent of the Manager.
4. Dwarf evergreens are permitted only on side by side (double) lots having a monument and only one shall be planted on either side of the monument. All plantings must be approved by the Manager.
5. The heights of such shrubs and/or ornamental trees shall at no time exceed 0.91 meter (3 feet) above adjacent ground level.
6. The diameter of such shrubs and/or ornamental trees at their widest point, including all foliage shall at no time exceed 35.56cm (14 inches), or obstruct adjacent lots.
7. Rights Holders desiring outside gardeners to do work on their lots must furnish the Manager with written authority and plans for the same, to be approved by the Manager. Gardeners or florists or their employees shall not enter the Cemetery on Sunday for business purposes.
8. If any trees or shrubs situated in any lot shall have become by means of their roots or branches or in any other way, detrimental to the adjacent lots, drains, roads or walks, or prejudicial to the general appearance of the grounds or inconvenient to the public, or impede burials, the Board may remove such trees, shrubs or parts thereof after 30 days notice to the Interment Rights Holders
9. Permission must be obtained from the Manager before removing flowers, plants, ribbons or other article from the graves or lots.
10. NO GLASS CONTAINERS of any kind are allowed in the cemetery at any time.
11. Nails, wires, articles of glass or pottery or any other material that creates a hazard to workers and to visitors when neglected or broken is not allowed in the cemetery.
12. Concrete or granite borders around approved gardens in front of monuments are sanctioned. The cemetery is not responsible for damage to borders in the process of burials or in regular maintenance.
13. Implements or materials used in doing any work within the cemetery shall be removed without delay and if this is not done, the Manager shall remove the same.
14. No Interment Rights Holder shall change the grading of their lot, and in the case of any such change, the Board may restore the lot to its original grade at the expense of the Interment Rights Holder.
15. No unauthorized person shall sod, move corner posts or lot markers.
16. The Board shall not be responsible for loss or damage to any articles left upon any lot or plot.
17. Memorial donations of benches and trees must be made with the permission of the Cemetery Manager. every effort to maintain the general appearance of the donation shall be made by the cemetery.
18. Memorial donations require the Rights Holder to sign a Letter of Agreement for the giving of a Significant Memorial Gift.

G) Care of Lots -Flowers

1. The Cemetery reserves the right to remove all flowers, potted plants, wreaths and baskets of flowers when they become withered or unsightly, or for any other reasons. Such removals are in the best interest of the Cemetery.
2. Artificial flowers are permitted, provided they are properly maintained and not detrimental to the general maintenance of the cemetery.
3. Vases, urns and flower stands not properly cared for, and not filled with plants by the twentieth of June, may be removed from the lot, and any stand, holder, vase or other receptacle for flowers that is unsightly or unsuitable may be prohibited or removed by the manager.
4. Flower beds not exceeding 45.72cm (18 inches) in width shall be permitted in front of the monuments, and where there is no monument, can only be made with the permission of, and under the supervision of the Manager. Edging of gardens must not interfere with grass cutting equipment.
5. To preserve the orderly appearance in the cemetery, any flower bed of the previous year which has not been planted by June 15th, may be sodded by the Board and the cost charged to the Interment Rights Holder.
6. Flower beds should be cleared of tender plants after the first frost of the autumn. Rights Holders desiring to take any plants away should do so before their removal becomes necessary.
7. Potted plants must not be buried but must be placed on top of the ground as close to the monument base as practical within a designated garden area.
8. Those that placed potted plants or urns, not planted by the cemetery, are responsible for their upkeep and must remove them by October 15.
9. Artificial wreaths without glass or plastic covers are allowed to be placed on the lot after November 1, provided they are securely fastened to the monument or where there is no monument, and mounted on a stand of at least 76.20cm (30 inches) high and securely anchored to the ground.
10. To preserve the proper appearance of the grounds, artificial wreaths must be removed before April 1st of each year; otherwise Cemetery Authorities will remove them and dispose of them.
11. No enclosed containers shall be used to hold candles that are not part of the existing monument unless approved by the Cemetery Manager.
12. Section J. – Potted plants and any other articles will be removed from the section on biweekly bases as close the middle and end of each month.

G) Monuments and Markers - General Information

1. No monument or other structure shall be erected or permitted on a lot until accrued charges have been paid in full.
2. No inscription shall be placed on any monument or marker which is not in keeping with the dignity and decorum of the cemetery.
3. No monument, footstone, marker or memorial of any kind shall be placed, moved, altered or removed without permission from the Manager.
4. Candle holders and vases may constitute part of a monument if they are made principally of bronze or stainless steel. If a translucent section is necessary, it must be made of an unbreakable, heat-resistant glass or of a plastic material that is fire resistant.
 - a) Candle holders must be included in determining the overall size of the memorial.
 - b) A maximum of two candles or vases may be placed on the base of a monument. They must be centered on the end or ends of the base.

- c) A candle holder must be adequately drained to prevent any collection of water.
 - d) Candle holders must be fully enclosed on all sides by a door or lid.
5. No monument or marker will be delivered to the cemetery without the Request for Installation form containing the following information:
 - a) The Interment Rights Holders name & address.
 - b) Instructions for placement of the marker or monument.
 - c) The dimensions in the case of flat marker.
 - d) In the case of a monument:
